## EDITORIAL

Martin Laws

Dear Reader,

Welcome to this first edition of TRAMPOLINE NEWS 2006. My thanks to **John Beeton** the editor, for all his efforts to keep you all informed, and all those who have contributed to this important Newsletter. Please circulate this latest edition as widely as possible.

Our main thrust during 2006 is going to be communication and we are hoping to improve the process substantially. Please remember communication is a two way street and we need people in all regions and home nations to act as conduits passing information out to local members and collecting information for articles and the Technical Committees. In the words of an old TV advert... "Its good to talk".

The National Technical Assembly was a great success, with speakers in a Trampoline specific program to supplement the comprehensive general program - changes announced and reports given on the Trampoline Development plan, which can be downloaded from BG's website. It is also pleasing to see more Trampolinists attending yet again this year, and it is an important event now in the Trampoline year. This is the main opportunity in the year to have your say about how things are going. I am still surprised so many miss the opportunity.

The usual January elections saw all existing members being re-elected, this time for three years and as Technical Committee elections now go with the Olympic cycles. Congratulations to all on their election.

**Dave Ross** was the first ever overseas speaker and the audience understood why as he held them all spell bound with his tales of his experiences in Canada.

Competition and scoring was probably the most controversial amongst the issue discussed and from the inputs given by the audience the competition committee under **Craig Bellis** will respond during April 06. With nearly a 1000 competitors at Grades 1 & 2 alone the system requires constant management and update. A complete review of competitions in the UK is currently underway and results expected by late 06, and implementation could be as early 07.

The Coach Education Panel has continued its massive workload under the watchful eye of **Cathy Page** and **Lloyd Readhead** with around 2400 coaches gaining a new qualification during 2005. From only 70 tutors and examiners, this is a highly active and productive area. There have been nearly 700 Teachers award coaches trained. This is an area of real growth. The expansion of trampolining in schools has increased vastly the demand for teacher's courses and clubs should be forging links to local schools.

Research is being undertaken on the development of a "Licence to Coach" to be implemented alongside the Cycle Six Qualifications on Jan 1<sup>st</sup> 2007.

NTGTC would like to congratulate all of our International competitors and their personal for keeping Great Britain at the forefront of the international scene. The new World Class systems are designed to maximise these skills and are based on worlds best practice. A new 5<sup>th</sup> level program is currently being discussed with home nations.

2006 is going to be an exciting year for Trampolining. I am certainly looking forward to the next twelve months.

---

## TECHNICAL CONFERENCE

As mentioned previously, the 2006 Technical Conference was held during 27-29 January at the National Sports Center, Lilleshall, with possibly the largest audience yet since the inception of the event.

The varied program was based around all disciplines within British Gymnastics and there was much to see and discuss throughout the weekend.

Trampoline Gymnastics had presentations from **Jack Kelly** who spoke on "National Technical Priorities", **Sue Lawton/Jake Bailey** on "The Straight Jump", **Robin Atkins** "Self Reference", **Craig Bellis** "The future of Competitions, **Nick Earle** "DMT, more than just a Training aid" and **Dave Ross** from Canada, who chose as his subjects "The Canadian Olympic Experience" and "The Canadian System". All sessions were fully attended, not only by the trampoline fraternity, but members of other BG disciplines.

Hopefully the 2006 Conference will be just as informative. **Ed.**

# Fig World Ranking List

With the **FIG World Cup Finals** scheduled to take place at the **NIA Birmingham** at the end of the current year, British hopes of participation in the event rest mainly on the number of points each gymnast can obtain between April and September in the above list.

At present, British gymnasts feature in World Ranking Lists as follows:

## Trampoline Ladies (Individual)

- 07. Claire Wright - 90.6 points
- 16. Kirsten Lawton – 23.0 points

## Trampoline Men (Individual)

- 22. Gary Smith – 25.2 points

## Trampoline Ladies (Synchro)

- 06. Claire Wright / Kirsten Lawton – 136.5 points
- 24. Claire Wright / Jamie Moore – 17.5 points
- 39. Katherine Driscoll / Amanda Parker – 3.9 points

## Trampoline Men (Synchro)

- 10. Mark Alexander / Simon Milnes – 92.6 points
- 34. Gary Smith / Gary Short – 7.0 points

## Tumbling Ladies

- 03. Kathryn Peberdy – 171.7 points
- 07. Zoe Maclean – 101.5 points
- 09. Samantha Palmer – 52.5 points
- 15. Charmaine Salsa – 20.6 points
- 33. Sarah Bellis – 6.3 points

## Tumbling Men

- 06. Damien Walters – 201.7 points
- 13. Robert Small – 69.8 points
- 35. Charlie Burrows – 8.4 points
- 38. Michael Barnes – 7.0 points

The top eight (8) only in each of the Disciplines featured in the Ranking Lists will be invited to participate in the FIG World Cup Finals. With a further four (4) world cups scheduled prior to the World Cup Finals, I am certain that a number of our gymnasts can pick-up the necessary points to ensure their place in Birmingham.

Good luck to all. **Ed.**

# Gymmark

As you all know by now the NTTC are strongly supporting clubs in gaining Gymmark, and we would like to draw your attention to a little known club called **Next Generation Trampoline Club**, who have been awarded the British Gymnastics Clubmark accreditation **Gymmark** for being a well run club. The club opened 18 months ago and now has 22 members.

The Sport England's Clubmark scheme has now achieved 1000 fully accredited clubs in 20 different sports. It means that the scheme is rapidly becoming the established quality standard for all sports clubs in the country.

Next Generation Trampoline Club is one of only 105 British Gymnastics Clubs who have achieved the award to-date.

Next Generation Club received their award from English Gymnastics Development Officer **Kirsty Thornton** at a presentation event held on Sunday 20<sup>th</sup> November 2005.

---

## WANTED

Are you a good communicator? Can you write articles that inspire?

Trampolining is fast growing and changing rapidly. It is therefore vital that we improve our ability to communicate to all corners of our sport.

The Communications sub group currently sits under the development pathway of the Technical Committee and they are looking for people who can help write articles and keep our membership informed.

You don't have to be a top-level trampolinist, although a good understanding of the sport would be an advantage. Members of the group would attend up to two meetings a year, but would remain in constant contact with officers via email.

Don't be shy. We need your help.

If you have any interest or questions contact **Martin Laws** at the following address: [martin@trampoline.co.uk](mailto:martin@trampoline.co.uk)

---

## Domestic Competitions – Reminder

Club Secretaries are reminded of the closing date/s for the various Domestic Competitions during 2006.

Please ensure that your club entry is NOT late:

## NATIONAL Grade 1 TRA & DMT

05 Mar 06: HULL (closing date 13/02/06)  
19 Mar 06: SOUTHEND (closing date 27/02/06)  
01 Apr 06: PERTH (closing date 13/03/06)  
22 Apr 06: CARDIFF (closing date 27/03/06)  
23 Apr 06: CARDIFF (closing date 27/03/06) SYN + DMT  
29 Apr 06: NEWRY (closing date 10/04/06)  
21 May 06: HARROW (closing date 01/05/06)  
03 Jun 06: SOUTH SHIELDS (closing date 15/05/06)

## NATIONAL CHAMPIONSHIPS TRA

15/16 Jul 06: BIRMINGHAM (closing date 05/06/06)

## NATIONAL CHAMPIONSHIPS SYN + DMT

18 Nov 06: HULL (closing date 09/10/06)

---

## NATIONAL Grade II TRA

08 Apr 06: NEWTOWNARDS (closing date 20/03/06)  
06 May 06: MACCLESFIELD (closing date 17/04/06)  
01 Oct 06: READING (closing date 11/09/06)  
07 Oct 06: NEWTOWNARDS (closing date 18/09/06)  
28 Oct 06: BIRMINGHAM (closing date 02/10/06)

## NATIONAL GRADE II FINALS

19 Nov 06: HULL (closing date 23/10/06)

Your co-operation in ensuring that ALL entries are despatched to the relevant Competition Organiser by the date requested will be very much appreciated. **Ed.**

---

## YEAR IN THE LIFE OF A TOP GYMNAST: Claire Wright

2005 has been a difficult year in many ways for me yet I've had many great times. It started when I won the World Cup in Bulgaria, a very proud moment for me as it was my first competition back from injury. I won the British Championships for the 5th consecutive year, and Jaime and I were very proud to win a bronze world cup medal in synchro as well as coming 5th at this year's World Championships. I was honoured to receive the **Spirit of Gymnastics award** from the **Nik Stuart Foundation** and shocked to be awarded the **BBC South Sportswoman** of the year at the recent dinner and ceremony.

I'm looking forward to next season now and have been working hard under the direction of my coach **Nigel Rendell**, as well as the new performance coach **Jack Kelly**, to perfect my techniques and raise my game, I guess now it's all down to me.

Trampolining is a tough sport if you want to make it to the top with up to three training sessions a day but it brings rewards and great satisfaction if you are willing to put that time in. One of the rewards is travelling the world with a fantastic team of people and meeting many friends around the globe.

We are all looking forward to the European Championships in May and hope to better our performances from two years ago, where, as a ladies team we came back with a third, and a fifth place in the individual, as well as a second place in the synchro and a third place in the team event. This will be hard to beat but we can only do our best.

The World Cups are a great opportunity for us to gain points for this year's World Cup Final, which will be taking place in Birmingham, England at the end of November.

You haven't seen the last of the synchro partnership, we are looking forward to the 2006 season and know that we can only get stronger. Both Jaime and I are working hard at our separate clubs as well as getting together to ensure that we get a rostrum spot again this year.

**Editors Note:** all of the trampoline fraternity will join with me in congratulating Claire on her success in 2005, and wishing her even greater achievement in 2006 **Ed.**

---

## FIG NEWS

1. Following the *new* **Inquiries** rules in the **FIG Technical Regulations Section 1, § 7.8.1, 7.8.3, and 8.4**, the TR TC had to make some small changes to the Code of Points, and which have already been accepted by the FIG EC meeting in **Baku**. Changes are reproduced as follows:

§ 11.1 of the TRA COP add: (see Technical Regulations 7.8.1, 7.8.3, 8.4 (Inquires))

**7.8.1 Superior Jury** to read: [This consists of the Technical President and the members of the Technical Committee. The specific tasks of each member are defined by the Technical Committee.](#)

*Add sub para 5: to take the final decision about inquiries as per Art. 8.4. To take effect immediately.*

**7.8.3 Jury of Appeal and Competitions' Supervisory Board** to read: [The Jury of Appeal consist of two members of the Executive Committee appointed by the Presidential Commission \(one of them acting as President\), and a third competent person who was involved neither in the decision of the Competition Jury, nor in the decision of the Superior Jury. The Technical President concerned or any other appropriate person may be called as consultant. The details of tasks and competence are worked out](#)

By the EC in a separate document.

The Executive Commission designates its representatives as well as the third person, nominated on site according to the needs. *To take immediate effect.*

**8.4 (new) Inquiries** – “Inquiries for the difficulty scores are allowed, provided that they are made verbally immediately after the publication of the score, or at the very latest before the end of the exercise of the following gymnast or group.

Late inquiries will be rejected.

Inquiries for all other scores (Execution and Synchro) are not allowed.

The inquiry must be confirmed in writing within a few minutes and requires an agreement of payment of USD 300 -- for the first complaint; USD 500 – for the second complaint and USD 1000 – for the third complaint. Should the inquiry prove correct and is accepted, this sum will be reimbursed. Otherwise, the sum will be transferred to the FIG Foundation.

Every inquiry must be examined by the Superior Jury and a final decision (which may not be appealed) must be taken at the very latest: in the days following a competition, a global video analysis will be carried out by the Technical Committee, and in case the mistakes are established, the guilty judges will be punished accordingly. *To take immediate effect.*

§ 20.15 of the TRA COP add: (see 7.8.1 and 8.4).

2. The EC also agreed to the following change in the World Cup Rules:

- **World Cup Rules (2.3.2 Finals): maximum 2 individuals and 1 pair** per country per discipline). This is in line with the Technical Regulations and the Code of Points.

3. **FIG Gala: Cirque du Soleil** is at present in collaboration with the FIG to appear in the official Gala for the **125<sup>th</sup> Anniversary of the FIG on 30<sup>th</sup> October 2006 in Geneva.**

---

# Annual Report of Coach Education Committee

2004/5

Cathy Page

This report statistically relates to the year from 1.10.04 – 30.9.05.

## General Review

The number of new coaches has stayed about the same this year. The urgency is for more tutors so that those who currently tutor do fewer courses at the lower levels and more at the higher levels. The demand is huge but limited by numbers of tutors.

**Mechanics** - The revised mechanics has been taught from January 05 and introduced into the Club Coach and higher awards. Jake Bailey and Richard Ollerenshaw have been responsible for the new developments but with Fred Yeadon's cooperation and inspiration. Thanks to them.

## Coach level

No problems have been encountered apart from a few questions on the exam paper, which are to be revised.

## Club Coach

The percentage of those going on to Club Coach has remained about the same as last year. There are still some areas not running even one course each year. There is an urgent need to put mentored learning at Club Coach level and above in a more prominent position. Most mentors do not realise the potential of this period of learning.

## Senior Club Coach

About one third of Club coaches go on to Senior Club. The numbers doing the course continue to rise but the numbers actually doing the exam do not increase. This again demonstrates a lack of mentored learning.

## High Performance Coach

It was found extremely difficult to find a date to examine this course in the south. Too few dates are available for the higher level tutors.

Two courses were held one midweek in Gillingham in July and 1 in Portsmouth. The exam for the Gillingham course will be held in Feb/March. A further course has been running at weekends in January/February 2006 in Portsmouth and the Gillingham course will run again in July if there is sufficient demand.

## International Performance Coach

It was found impossible to get a date to examine the IPC course due to lack of free dates for the examiners.

## Teachers Course

There have been nearly 700 Teachers award coaches trained in in-service teacher's weeks and in-service courses. This is an area of real growth. The expansion of trampolining in schools has increased vastly the demand for teacher's courses.

## Disabilities courses

The module and the stand-alone courses continue. There were 156 passes between them.

### Double Mini tramp courses

Only one course at Club Coach level was held and one at SCC and HPC level. There are 5 tutors who are qualified to tutor all levels to HPC level but they are all too busy to run courses. One new tutor Rosie Bascombe was trained.

### Tutor Training

There are quite a large number of coaches in training as tutors, and three new tutors have qualified this year. Two tutors have qualified as Disabilities tutors. Of the 66 current tutors – 5 are DMT only, 4 are Disabilities only, 2 are examiners only and 7 or 8 are not active. Some have been taken off the list due to non-payment of membership.

At club coach level there are 29 tutors, every region except the West Midlands having at least one. There is 1 new senior club coach tutor and 1 new senior club coach examiner. These can be one of the two examiners required at this level. We need more to move up to HPC and IPC levels. Two trampoline tutor induction days were held – 15 potential tutors attended.

### Tutor/Examiner seminar

An excellent seminar was held in September at Loughborough. The next will be held on 2/3<sup>rd</sup> September 2006 at Loughborough.

### High Performance Conference

A High Performance Conference was held alongside the BG National Technical Conference at Lilleshall in Jan 05 – the topics covered were Mechanics, Cruising as an aid to developing middle twisters, Preparation for new set routines with 2 moves to tariff, Long term athlete development, the competition scene

### Changes to Code of Practice

There has been one alteration to the Code of Practice relating to the locking up of premises when trampolines not in use where trampolines are left out all the time.

### Coach Education Panel

The Coach education Panel met on 23.3.05, 20.7.05 and 16.11.05.

Decisions made in 2004/5 related to Tutor accreditation's, approval of new resources, new exams papers, arranging for annual Tutor seminar, arranging high level courses, deciding on the new syllabus changes for the UKCC, and of course arranging speakers for the technical conference.

---

## Trampoline Coach Education Development Plan 2002-5

**Aims** – to increase the number of coaches by increasing the number of tutors at all levels, but also to increase the understanding / skill of new coaches.

### Tutor Training

To have at least 4 coach tutor/examiners per region by 2005 – SE, EM, Y, WM, W, SW all do not have 4 trampoline tutors as yet. **Totally failed – there is only 1 who regularly tutors in the Midlands, 2 in the SW although there are 2 in training, 2 in the SE, 2 in the EM, 2 in York, 3 in NI and 3 in Wales.**

To have at least one Club coach tutor per region. – **west midlands remains without**

### Coach training

New coaches – at least 1500 per year – **achieved 2003, slightly short 2004, slightly short 2005,**

Club Coaches to reach 10% of the coaches trained i.e. 150 in 2003; 170 in 2004; **149 achieved 2003; 159 in 2004; 158 in 2005;** New Senior Club Coaches to increase to 80-100 in the next 2 years; **not achieved**

New HPC to increase to 25 per year – Run one or two HPC courses each year; **not achieved in passes but 15-20 have been on the courses.**

IPC course to be run Nationally alternate years depending on demand. **1 run so far**

### Resources

2003 – review Code of Practice by June – **achieved July 2003, under continuous review;**

- Print Senior Club Coach manual by April – **achieved summer 2003;**
- Complete HPC resource by Dec 2003 – **notes only ready;**
- Review Coach and combine with teachers resource 2003 – **combined summer 2003**
- Review Club Coach Resources 2004, **not done awaiting new syllabus review**
- Prepare tutor / examiner resource book – **draft done 2004**
- Exam papers under constant review
- Revise Coach Log Book by June 2003; Club Coach log book by Dec 2003; **both achieved by Dec 2003**

### Links

Link decisions from Coach Education Committee into Gymnews/Gymnast – **achieved after most meetings**

Link Proficiency Scheme closely to Coach / Club Coach – **Information incorporated into resource for Coach; DVD of moves in Awards 11-15 planned for early 2006;**

Link IPC training closely with Squad training, **not achieved**

### Administration

Plan the calendar in each region for the whole year to allow Club Coach, Senior Club Coach, and HPC development, **most regions have regular Club Coach, 5 regions have regular Senior Club, and two regular HPC courses run**

Address the Accidents, which are reported to see if modifications need to be made to the Code of Practice. – **not done, no information on accidents forthcoming from insurers,**

## Seminars

Hold Coaching Seminars at HPC/IPC level Nationally and encourage regional seminars at Senior Club/ Club and Coach level. 2003-5; **Coaching seminar at HPC/IPC achieved Jan 2004; and Jan 2005; and Jan 2006; NW region 2004/5;**

## Development of Assistant Coach

Plans in hand for the development Assistant coach for trial in the autumn.

## Statistics

Table attached at end.

---

## Scottish National Championships

Saturday 12<sup>th</sup> November saw the culmination of the domestic trampoline calendar for 2005 with the **National Trampoline Championships**. Trampolinists from all over Scotland, representing 13 clubs converged on **Bells Sports Centre, Perth** for this annual event. In order to participate in this competition, the young gymnasts were required to meet a minimum qualification standard for their competition level and age group. 105 young trampolinists, with 89 actually taking part in the competition, reached this exacting requirement.

Competing in their class and age groups in reverse order of qualification scores, the competition generally ran to expectations with the higher scoring qualifiers being in the medals. However, in the lower levels upsets were seen in the Level 6 Under 11 class where **Keryn Matthew** from **MEGA** moved into bronze medal place from qualifying in 6<sup>th</sup> place.

In the Level 6 Under 13 class **Hannah Sherriff** from **BANKS O'DEE** moved into gold medal place from qualifying in 4<sup>th</sup> place and **Nicole Cairns** from **MASTRICK SPRINGBOX** moved into bronze medal place from qualifying in 7<sup>th</sup> place.

The Level 6 Under 18 class saw **Jennifer Carnegie** from **BANCHORY** move from 6<sup>th</sup> place in qualifying into bronze medal position.

The competitions in the other competition levels ran generally with the expectations with those qualifying with the highest scores gaining the championships.

The Judging panels, comprising some of Scotland's most experienced young and slightly older judges, showed an appreciation of the standard of routine with close marking and promptly displaying the scores awarded for each competitor.

**Pamela Clark** from **EAST KILBRIDE** followed on from her British Championships success gaining the Level 1 Under 11 championships scoring the highest execution score of the day at 26.1. **Louise Watson** from **BANKS O'DEE** closely followed

this score competing at Level 3 Under 18 with an execution score of 26.0

Under the strict control and direction of the Chair of Judges Panels, **Anne Bowie** from **Bishopbriggs** and **John Morrison** from **Banks o'Dee**, the competition ran smoothly and on time. This reflected well on the coaches and competitors alike who were ready and prepared when required.

At the conclusion of the competition, **Ron Brooks**, former member of the Trampoline Technical Panel made a presentation to **John Ridge**, head coach at **East Kilbride** club. John was presented with an inscribed decanter and glass in recognition of his commitment and outstanding contribution to trampoline in Scotland going back over 30 years.

The presentation party comprised **Chair of the TTP Debbie Adams**, **SGA Finance Director Robert Callahan** and **Mrs Jean Callahan**.

---

## INTERNATIONAL JUDGE SELECTION 2006

With a busy international program looming, Judges have been selected for the following events during 2006:

### **26-30 Apr: FIG World Cup GHENT (BEL)**

Bruce Craig

### **26-30 Apr: Cup of Flanders GHENT (BEL)**

Kevin Dixon-Jackson (TRA) Peter Heames (DMT)

### **28-30 Apr: 4 x Countries (POR)**

Sally Slinger

### **12-14 May: 4 x Nations SUNDERLAND (GBR)**

Sally Slinger, Tony Hull, Bill Leach, Bruce Craig, Kevin Dixon-Jackson

### **22-28 May: UEG Senior/Youth European Championships METZ (FRA)**

Bert Scales (TRA) Steven Grist (DMT)

### **23-27 Aug: FIG World Cup SAVOGNIN (SUI)**

Claire Thomson

### **30 Aug-03 Sep: FIG World Cup SALZGITTER (GER)**

Donna Grist

### **00-00Sep: GBR v GER Youth Match (GER)**

Bill Leach

### **20-22 Oct: GBR v SWE v POR Under 15s Match GILLINGHAM (GBR)**

Bert Scales, Tony Hull, Elizabeth Scales, Martin Laws, Mike Phillipson, Peter Heames.

British Gymnastics will also host the FIG World Cup Final at the NIA Birmingham from the 23-26 November, but it is unlikely at this stage that British Judges will be used owing to having a number of qualifiers in both the TRA and TUM events. **Ed.**
